To whom it may concern,

It is my pleasure to write a letter of recommendation for Katherine Bobbitt. I have had the pleasure of working with her since October 2021. I am currently her cooperating teacher in kindergarten at Coronado Elementary School. Mrs. Bobbitt has quickly built relationships with the students in our class and staff on our campus during this semester. Kate maintains a positive classroom environment for our students. She is a responsible, dependable, trustworthy, and professional student teaching candidate. She plans meaningful lessons that are engaging and informative. She is easy to work with and makes a difference to our students every day. She attends professional development and staff meetings on our campus. As a dedicated, knowledgeable, and all-around great person, she will be an asset to any school district, classroom, or community. Please feel free to contact me at sarah.kirchoff@husd.org should you like to discuss Mrs. Bobbitt's qualifications and experience further. I would be happy to expand on my recommendation.

Sincerely,

Sarah Kirchoff
