RE: Recommendation for (Katherine Bobbitt)

Dear to Whom it May Concern:

I would like to share my experience with you regarding Katherine Bobbitt, who I had the pleasure of supervising while she was a student teacher at Grand Canyon University during the Fall 2021 term.

Throughout the time I was able to spend with Mrs. Bobbitt, she excelled in classroom placements. Mrs. Bobbitt student taught in a pre-k classroom during her first placement and then a kindergarten classroom for her second placement. I have found Mrs. Bobbitt to be incredibly professional, knowledgeable, and committed to striving for educational excellence for all.

While working and collaborating with Mrs. Bobbitt, I have witnessed how she consistently provides students with the best teaching practices that effectively support academic achievement. Mrs. Bobbitt is extremely organized, reliable, flexible, and dedicated. She can coordinate and accomplish multiple tasks with initiative and a positive attitude. Mrs. Bobbitt has excellent written, verbal, and interpersonal skills.

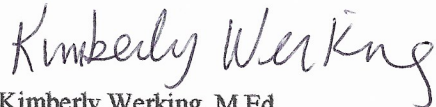

In addition, Mrs. Bobbitt demonstrated exceptional communication skills with enthusiasm and excitement for learning. This was a remarkable quality that sets her apart from other student teachers I have had the opportunity to observe. She is a lifelong learner and demonstrated the ability to reflect on lessons and modify and adjust when needed.

Mrs. Bobbitt has many abilities that I believe would benefit any school including:

- Action-oriented- enjoys working hard and is full of energy
- Approachability- easy to speak with; spends the extra effort to put others at ease
- Decision making- makes good and timely decisions based upon a mixture of analysis, wisdom, and experience
- Organizing- Can marshal resources to get things done
- Motivating others- creates a climate in which people and students want to do their best
- Professional – Displayed positive attitude and a proven team-player

I am pleased to recommend Mrs. Bobbitt to anyone looking to hire a remarkable educator. Mrs. Bobbitt's passion and commitment to high-quality education are evident in every endeavor that she achieves. Mrs. Bobbitt would be an exceptional addition to any school district. She has my highest recommendation, and I am happy to provide further details should you need additional information.

Sincerely,
