## PROFILE

Dedicated early childhood educator and licensed teacher with a passion for nurturing young minds. I hold a Master's degree in Early Childhood Education and am licensed to teach children from birth to eight years old in Arizona. With over 10 years of hands-on experience in childcare, I bring a deep understanding of child development and effective teaching strategies.

I am the owner and operator of Kate's Corner Preschool, an in-home early childhood program located in Gilbert, AZ. As a mom to my son, born in October 2022, I appreciate the critical importance of early development. I founded Kate's Corner Preschool to provide socially and educationally enriching experiences for young students in a warm, homey environment. Every aspect of the program has been meticulously designed to ensure it adds value to each student's growth and sets them up for future success.

I am eager to join forces with you, working hand-in-hand to nurture and guide your child through these formative years, fostering a love of learning and development.
